01 Abstract

Kill Three Birds with One Stone. Welcome to ZIPPIN...

ZIPPIN was created in April 2021 with the goal of being a decentralized meme project with true purpose.

ZIPPIN's mission is to bring popular cryptocurrency concepts to the mainstream. Unlike older, comparable projects, ZIPPIN introduces holders to next-gen concepts such as participation rewards, NFTs, decentralized exchanges, and more.

Within the first month of its launch, ZIPPIN made history by surpassing a \$2 billion market cap and over 100,000 holders. This was an unprecedented milestone for a project of its kind, and proved the world's belief in the project.

The ZIPPIN project includes...

An ERC20 meme token that fosters and promotes healthy and widespread usage and decentralization of the project through a specific reward linked to users' transactions involving decentralized wallets.

ZIPPIN SWAP

ZIPPIN sWAG

A merchandise store run by an ownerless, stockholder less non-profit organization to allow \$ZIPPIN holders to proudly support ZIPPIN's fun in the real world, with any and all proceeds supporting the ZIPPIN's project growth, maintenance and future features.
